Mission Statement
The Bishop Heelan Catholic Schools relates the total student to God through an excellent education leading toward a lifetime of service.

Philosophy Statement
The Bishop Heelan Catholic Schools system falls under the jurisdiction of the Bishop, through the Diocesan Board of Education, and the Bishop Heelan Catholic Schools Board of Education, which is made up of two area pastors and a lay representative from each of the area parishes. The BHCS is an integral part of the Roman Catholic Church and works in partnership with parents to form students in Gospel values in a Catholic way of life. Bishop Heelan Catholic Schools is committed to the full human and spiritual development of students by promoting excellence in all academic and co-curricular areas. Bishop Heelan Catholic Schools integrate a community of faith and a community of learners in which all persons are valued and regarded with dignity. The purposes of Bishop Heelan Catholic Schools are to help students achieve spiritual, intellectual, and cultural literacy and synthesize faith and life from which students learn to penetrate the world with the life of the Gospel.

Non-Discrimination
Bishop Heelan Catholic Schools is an equal opportunity educational institution. It does not discriminate on the basis of race, color, age, creed, sex, religion, national origin, physical or mental ability or disability, ancestry, political party, political belief, socioeconomic status or familial status in the educational programs or activities, which it operates.
### Academics

Bishop Heelan Catholic Schools’ curriculum consists of religion, reading, language arts, mathematics, social studies, science, music, art, physical education, technology, guidance and services for English language learners. Iowa assessments are administered to students in grades 3-8. The tests measure student achievement in various basic skills areas. The Assessment of Catholic Religious Education is administered to students in grades 5, 8 and 11. This test measures knowledge of Catholic principles and student Christian living. The STAR reading and math assessments are conducted three times throughout the school year in grades K-8.

### Programs for At-Risk Students

Students that are deemed at-risk (academically, behaviorally or socially) will be identified by the school team. The school will work with the student and parents to find a plan that will best enable the student to succeed at Bishop Heelan schools both academically and socially. Bishop Heelan schools will make accommodations to the point that school resources and funding will allow.

### AEA (Area Education Association) Services

Northwest AEA offers a variety of services to local schools to improve instruction and curriculum planning. Some of the services offered to students include speech therapy, occupational therapy and support to teachers and students. Parents need to work closely with teachers and administrators to identify the academic needs of their child. Contact your child’s school to find out more about services available.

### Grading Scale

Bishop Heelan Catholic Schools will use the A, B, C, D, and F grading system in grades 3-8. The numerical grade is converted to the letter equivalent for the report card, temporary record, and permanent record. The following are the equivalents:

- **A+** = 98, 99, 100
- **A** = 95, 96, 97
- **A-** = 93, 94
- **B+** = 90, 91, 92
- **B** = 87, 88, 89
- **B-** = 85, 86
- **C+** = 82, 83, 84
- **C** = 79, 80, 81
- **C-** = 77, 78
- **D+** = 74, 75, 76
- **D** = 71, 72, 73
- **D-** = 69, 70
- **F** = Below 69%

The report card for kindergarten through second grade will be marked in a manner suitable for these grade levels.

### Homework

We believe that homework is necessary for a student’s education. We need your help to be sure that the full value of it is gained by your child. Homework generally includes such assignments as the following:

1. Assignments not completed in school.
2. Projects connected with the subject being studied.
3. Memorization work (learning prayers and religion answers, math facts, spelling words, etc.)
4. Reading a book which is informational or recreational.
5. Studying (not all homework has to be in written form)
The time necessary for doing homework will vary according to the child and the grade level. If a student is sick or on vacation, the necessary help, work, or tests will be given per teacher designated time.

**Grades 6-8**

**Homework and tests after absence:**

1. Make-up work will not be completed during the regular instructional class time.
2. If a child leaves school during the day for an appointment and misses a test during the time out of the building, he/she will be required to make up the test that day.
3. If a child is absent before lunch only and misses a test, he/she will be required to make up the test that day.
4. If the child is absent after lunch only and does not return to school, he/she will be required to make up the test the next day.
5. When a child is ill or on vacation, homework and tests will be made up within a time specified as determined by his/her teachers.
6. If classroom work, including tests, are not made up before the due date specified by the teacher, the grade for that work is at the teacher’s discretion.
7. School administration reserves the right to make adjustments to this policy according to individual student needs/situations.

**Infinite Campus: Student Information System**

Bishop Heelan Catholic Schools utilizes Infinite Campus as its student information system. Features of Infinite Campus include the ability to access your child’s grades, review attendance and absences, review assignments deadlines and upcoming tests as well as receive school and district notifications. Student lunch account information is also available through Infinite Campus. Contact the administration office at 712.252.1350 for assistance with Infinite Campus.

**Music (Band/Vocal Music)**

All students participate in the vocal music program with classroom instruction. Students are required to participate in musical programs. Students not participating in the programs, are required to make up equivalent time. Opportunities for instrumental music lessons are available on a private and/or group basis for students in grades 5-8. Students involved in instrumental music perform at school concerts.

**Parent-Teacher Conferences**

Two parent-teacher conferences are held during the school year. These conferences are arranged to provide the opportunity for parents and teachers to review the child’s progress in school and to provide unilateral support for students at home and at school.

**Report Cards and Midterm Progress Reports**

Report cards and midterms are posted to the portal four times each year. Mid-term progress reports are issued during the quarter.
Retention
No student will be retained without serious consideration. You will be notified as early in the year as possible regarding concerns with your child’s ability to meet grade level expectations. If desirable progress has not been made by the end of the first semester, you will be called in for a conference with the teacher and/or principal regarding possible retention. In May, an additional discussion will be scheduled and a decision will be made regarding the recommendation for retention. You will receive a copy of the recommendation as well as a form being place in your child’s file, along with documentation.

Sacramental Program
Parents/Guardians are the primary teachers of their children and as role models should be involved in regular Mass attendance, prayers, and reception of sacraments. Parental involvement in preparation for the reception of Reconciliation and First Eucharist is expected. Bishop Heelan Catholic Schools may provide resources and support to parents in preparing for these sacraments. The sacraments of Reconciliation and First Eucharist will ordinarily be received in second grade. Each student returns to their home parish to receive these Sacraments. Reconciliation will be offered periodically to the students during the school year. Students will attend Mass regularly and will be involved in liturgical celebrations.

School Counselors

Probation Week:
Students failing one subject or receiving two or more D’s during an eligibility review will be placed on probation. Weekly academic progress reports will be conducted. If a student shows considerable academic improvement on his/her weekly progress reports, they will regain eligibility for participation. (Students must attend practice while on probation.)

Students that are failing at least two subjects will be ineligible for the remainder of that quarter. At the end of each quarter, students receiving three or more D’s or two or more F’s will be ineligible for participation in sports/activities during the next quarter of that school year. Students serving a school suspension for disciplinary reasons are automatically ineligible for games/activities during the time of suspension.

Other: When a child is absent from school for illness, he/she is not to play in that day’s activity or event. If a child is not in school, the student is not expected to attend practice unless they present a written excuse from the parent or guardian.
Good Conduct Provisions

3rd Offense: For the third offense within a calendar year, the student will be ineligible for participation for one calendar year. Example: If the third offense happens May 20, 2015 the student will be ineligible until May 19, 2016.

Student Conduct and Disciplinary Procedures
Bishop Heelan Catholic Schools are dedicated to working with all students to provide a safe and positive environment that supports teaching and learning. The goal of BHCS is to provide a systematic approach to teaching self-discipline skills. Through the joint efforts of school staff members and parents/guardians, students will be guided to develop the skills needed to encourage self-discipline. Respect for self, respect for others and respect for property of others are keys to accomplishing the mission of Bishop Heelan Catholic Schools. Students are always expected to be respectful. When addressing or speaking to those in authority, the proper title should be used.
Learning to accept responsibility is an important component of education. The following expectations include though are not limited to the following:

- Regular attendance and punctuality
- Concern for personal appearance
- Adherence to uniform regulations
- Courtesy and respect for others
- Completed assignments
- Attention to school/classroom rules

Teachers are responsible for handling most of their own classroom discipline. As a disciplinary tool, teachers may require students to spend time in the classroom before or after school, commonly referred to as detention. Every attempt will be made to provide parents advanced notice; however, circumstances may demand immediate consequences. Detention is to be served on the assigned day.

Students in grades six through eight who accumulate up to six detentions, will serve one day of in-school suspension. Parents will be notified of this action. If a student accumulates twelve detentions during the school year, the parent/guardian, student and principal will come together for a conference. The student will serve at least one day of in-school suspension and the possibility of a fine. If a student accumulates more than twelve detentions during the school year, the severity of consequences increases.

Detentions may be assigned for the following reasons:
- Refusal to conform to school rules and regulations and profane language
- Refusal to comply with the request/directions of any school staff member and whose conduct disturbs others
- Violation of the dress code without permission of the principal
- Incomplete classroom tasks
- Cheating

Suspension
Suspension is the removal of a student from all classroom and extra-curricular activities for a designated period of time. The principal reserves the right to decide whether the period of suspension will be spent in school or at home with the assessment of a $100 fine. All classroom and homework assignments must be made up and turned in prior to the student returning to the classroom.
Any of the following is considered sufficient reason for suspension:

- Theft, vandalism and/or destruction of school or personal property. (Restitution must be made)
- Physical assault and/or threats of violence, physical attack to students, teachers, parents, etc.
- Disobedience or disrespectful toward a staff member.
- Forging of excuses, permission slips or notes from parents, teachers, etc.
- Smoking/vaping while on school property or while in the immediate vicinity.
- Any lewd or obscene acts of behavior including, but not limited to, possession of pornographic literature or objects, or language.
- Possession, sale, distribution, purchase or use of matches, tobacco products, smoking paraphernalia, or weapons designed to do bodily harm.
- Student's involvement in a public incident which is judged to be significantly detrimental to the image of the Bishop Heelan Catholic Schools and causes unfavorable criticism of the Bishop Heelan Catholic Schools in the community.
- Racial slurs

Any serious misconduct dealing with but not limited to the above may warrant suspension or expulsion. When a student is placed on an in-school or out of school suspension due to a “Physical assault and/or threats of physical attack to students, teachers, parents, etc.”, the administration will contact all involved parties and notify them in advance of the student returning to the regular class schedule. This notification should be made at least one day prior to the date the suspended student will be returning to class.

**Weapons Policy**

BHCS has a zero-tolerance policy regarding weapons in school, as defined by Diocesan Policies. Accordingly, no weapons of any kind shall be brought to school or school properties or school activities. Consequences for school employees committing acts of harassment towards a student, staff or others are covered by the Bishop Heelan Catholic Schools Employee Manual.

Dress Code

Members of the BHCS community believe performance in school is improved by setting standards of dress that reflect pride in one’s self and in one’s school. The dress code that has been established promotes unity in an equitable manner. It especially attempts to address equity from the standpoint of gender and socio-economic status.

Any student who dress appears to circumvent the spirit and intent of the dress code is not in compliance. The principal will determine issues of interpretation. If a student is unable to comply with the dress code, that student should obtain an Out of Uniform Pass from the principal’s office before the start of the school day. This slip is to be presented to each teacher. Parents will be notified when their child is not in compliance. This may result in disciplinary action. These students will need someone to bring the needed clothing from home or borrow suitable clothing, if available.

Enforcement
It is the parent’s responsibility to have the student in uniform and dressed appropriately each day. If a child is out of uniform without permission, they will need to obtain an out of uniform pass from the office before school. This is to be given to each teacher the child may have that day.

1st occurrence: Parent will be notified and a copy of the dress code policy will be sent home and needs to be returned signed by the parent.

2nd occurrence: Parent will be notified and will be expected to bring correct clothing to school.

3rd occurrence: Child will be given a detention after notification to the parents. K-4 missed recess

Head Lice Guidelines
Head lice are a concern to us all, but we need to remember that is it not considered a health hazard. Bishop Heelan Catholic Schools will follow these guidelines:

- The school nurse will check any child suspected, found, or referred for head lice.
- The parents of any child with live lice or nits will be called and informed that the child needs the appropriate treatment to rid them of the lice. The parent has to treat them before returning to school the next day. If they prefer to wait until after school, the child may stay in school the rest of that day.
- The child will be checked upon return to the school after the treatment.
- If there are still live lice, the child will be sent home.

Classrooms will not be routinely checked. It is proven that it does not decrease the incidence of lice in the school. Each case will be assessed individually and handled by the school nurse in a manner consistent with these guidelines, and in the best interest of the students.

Identifying and Reporting Child Abuse
It is the policy of BHCS that any certified or licensed employee who has a reasonable belief that a child under the age of 18 has been abused by a person responsible for the care of the child as defined by law, shall report the suspected abuse verbally to the Department of Human Services (DHS) within twenty-four hours, and follow the verbal report with a written report on appropriate forms. It is also the policy of BHCS that reports of child abuse remain confidential, as required by law. Annually, BHCS shall provide the training required by law in the identification and reporting of child abuse to all mandatory reporters employed by the school.
The BHCS administration and staff will cooperate fully with the Department of Human Services in conducting a child abuse investigation by providing access to the child named in the report, and to other children alleged to have relevant information, for the purpose of interviews. The BHCS recognizes no obligation to contact the parents or guardians of a child suspected to be a victim of abuse.

Mentors are volunteers from the community who have dedicated themselves to making a difference in the life of a young person. Mentors give youth a sense of hope, purpose and vision. The TeamMates Mentoring Program currently provides a mentor for over 7,500 youth across Nebraska and Iowa. The BHCS TeamMates mentors have attended mentor training and Virtus training.

Any user who does not comply with these policies and guidelines will have modified use of the technology within the jurisdiction of BHCS. Repeated or severe infractions of the policies and guidelines will result in appropriate disciplinary action in addition to suspension or termination of access privileges.

The BHCS have taken measures to prevent access to inappropriate information; however, complete control of all information available on the internet is not promised. The school is not responsible for other people’s actions or the quality and content of information available.

Users’ Responsibilities
The purpose of internet access and use is to facilitate communications in support of research and education by providing access to unique resources and opportunity for collaborative work. The BHCS reserves the right to monitor internet activity and electronic correspondence to ensure proper use of the network. Access is a privilege, not a right. Access entails responsibilities. Students utilizing school-provided internet access are responsible for good behavior on-line just as they are in a classroom or other areas of the school. The same general rules for behavior and communication apply. Unacceptable uses of the network will result in the suspension or revocation of network privileges. Additional disciplinary action may result. The inappropriate behavior will be judged as a normal disciplinary procedure. When applicable, law enforcement agencies may be involved.

Guidelines for Network Access
Note: Users are defined as students, BHCS staff or volunteers who have permission to use the school’s computer networks. The following guidelines are intended to help you use the network appropriately:

- Users will follow all the rules listed the BHCS Technology Policy.
- Students will access the internet only when under the supervision of the BHCS personnel or a volunteer deemed qualified by the principal.
- Students will not reveal their personal home address, home phone number, cell phone number, or phone numbers of any other individuals.
- Users will not reveal their password to others.
- Users will not use fake names or pseudonyms.
- Users are expected to conduct themselves in a morally acceptable manner at all times while on the network.
- Users will not use profanity, obscenity, or other language which may be offensive to another user.
- Users will not use the network for illegal, inappropriate or obscene purposes.
- Users will not access or process pornographic material, inappropriate text files, or files dangerous to the integrity of the network.
- Users will not attempt to purchase or sell materials while on-line.
- Users will not use the network for financial gain.
- Users will not attempt to access unauthorized accounts or files.
- Users will not create or distribute computer viruses.
- Users will not modify the computing system or software or commit any vandalism.
- Users will not use software or files in a manner that will violate copyright laws.
The BHCS staff and students will have access to the technological resources at the BHCS after signing and dating the technology usage agreement form. However, students who do not have this form on file will not have access to Bishop Heelan Catholic School computers. Parent/Guardians need to discuss the Bishop Heelan Catholic School’s Technology Policy with their student(s). The appropriate form needs to be signed by the student and the parent/guardian and returned to the campus of the BHCS prior to accessing technological devices.

The Bishop Heelan Catholic Schools reserve the right to impose consequences for inappropriate behavior that takes place off campus and outside school hours. Thus, inappropriate use of technology (for example, on a home computer), may subject the student to consequences. Inappropriate use includes harassment, use of school name, remarks directed to or about teachers, offensive communications and safety threats.

If students violate the agreement, the following will happen:
1\textsuperscript{st} Offense: Device will be taken away by the teacher and the student can claim it at the end of the day.  
2\textsuperscript{nd} Offense: Device will be taken and placed in office. Parents will be notified that they will need to come in and retrieve the device. The teacher who has taken the device will need to contact the parents.  
3\textsuperscript{rd} Offense: The student will not be allowed to bring any electronic device to school for the remainder of the school year. Parent/Guardian will be notified that their student has reached their third offense.
